

## Inland Bonsai 2016 Schedule

### January

01/11/16 BOD meeting, 7:00 pm – 9:00 pm

01/17/16 Regular meeting, Noon – 3:00 pm

#### **Hands-On Workshop**

- *Bring Your Own Tree*
  - You can still work on trees during the Winter. Pruning, wire removal, and clean-up of dead leaves can all be done now.

#### **Discussion**

- *Show & Tell*
  - Bring a tree to show the group and discuss what to do with it for the future.
- Having a Forum

#### **Movie**

- *The club has purchased a video by Bjorn Bjornholm, “Continuum-A Year in the Japanese Bonsai World”.*

### February

02/21/16 Regular meeting, Noon – 3:00 pm

#### **Discussion**

- *Tool Sharpening & Care– Hal*
  - You must bring your tools and sharpening equipment to prepare for re-potting.

#### **Critique**

- *Formal-with scoring sheet*
  - Discussion on how to select the best stock for making a bonsai.
  - Bring a styled tree to be critiqued. It should be in a bonsai pot and not be a new nursery stock tree. It can be wired.

### March

03/20/16 Regular meeting, Noon – 3:00 pm

#### **Workshop**

- *Hands on Re-potting and/or Styling*
  - Entire meeting will be devoted to helping each other to re-pot trees the correct way. This month's emphasis will be on deciduous trees.
  - Members should bring several trees, tools, wire, soil, pots, and drop cloth for the table.

## April

04/11/16 BOD meeting, 7:00 pm – 9:00 pm

04/17/16 Regular meeting, Noon – 4:30 pm

### Workshop

- *Hands on Re-potting and/or Styling*
  - Continuation of last month's workshop. This month's emphasis will include conifers as well as any deciduous trees you still need to re-pot.
  - Members should bring several trees to re-pot plus all the items from last month's re-potting workshop.
